

FUNDS AVAILABLE! RESTORATION OF HABITAT

Want to improve wildlife habitat on your property?

The Thumb Area Branch of QDMA Habitat Cost Share Program provides funds to cover up to **50% of purchases** for habitat-improvement projects.

Purchases must be made prior May 4, 2019 from one of the three listed Conservation District Annual Spring Tree Sales (at right).

Complete details and application forms are available through QDMA or your local CD.

**CALL
TODAY!**

Cost share

Payments can be made up to 50% of purchases (up to \$150) for projects supporting habitat improvement.

Qualified purchases

Trees, shrubs, grasses, seeds and other related items from the SPRING TREE SALES held by local Conservation Districts.

Eligibility

Cost share is available to members of QDMA. Not a member? Now's the time to join! It's just \$35 for an Annual Membership!

2019 Tree Sales

Local Conservation Districts are accepting 2019 Spring Tree Orders. Stop in or contact your local CD for order forms today!
