

**MARCH 29**  
**HEALTHY**  
**STREAMS,**  
**HEALTHY**  
**LIVESTOCK**  
**WORKSHOP**

**Free Workshop and Dinner**

The Healthy Streams, Healthy Livestock Workshop will include a presentation of cost-share opportunities of the 319 Manure Management Grant by the Tuscola Conservation District. The event will feature Molly Rippke of the MDEQ, who will talk about E. coli bacteria, Total Maximum Daily Load (TMDL), and how water quality is impacted in the watershed. The event is offered at no charge, but registration is limited.

**6pm-8:30pm**

**Bavarian Inn in  
Frankenmuth**

**FREE but  
Registration is  
Limited**
