

# Thumb Area Branch of QDMA Habitat Cost Share Program

Funds are available to cover up to 50% of purchases for habitat –improvement projects.

## Funds Available \_\_\_\_\_ \_\_\_\_\_ for Restoration of Habitat!

**Cost share** is provided by the Thumb Area Branch of QDMA. Payments can be made *up to 50% of purchases* (up to \$100) for projects supporting habitat improvement.

**Qualified purchases** include trees, shrubs, grasses, seeds and other related items from the **SPRING TREE SALES** held by local Conservation Districts.

**Eligibility:** Cost share is available to **members of QDMA**. If you're not a member – learn how to join!

**Act now! Funds are limited!**  
Purchases must be properly planted or utilized on or before May 5, 2017, and a proper application form submitted.

Complete details and application forms are available through QDMA and at your local Conservation District:

**Spring 2017 Tree Orders**  
are being accepted NOW!

Stop by, or call your local Conservation District to get your tree order forms and applications for Restoration of Habitat.
